Community Onramp for
Developer Enablement

"CODE OPEN, DEPLOY EVERYWHERE" - EMC believes in open source.
CODE is here to share and collaborate with developers worldwide.

HELLO WORLD

Over the next few weeks, our team will be traveling to events worldwide, and we'd love to stay in touch. The Code Community just reached 100 members-- make sure you don't miss out! Join at community.emccode.com

We hope you'll enjoy this newsletter. We'll do our best to distill, aggregate and share news related to the {code} community and industry happenings. We'll provide the content, but we need your feedback. You can always reach us at emccode-newsletter@emc.com.

DevOps Meetup NYC

The EMC New York team hosted their first DevOps event in the Penn Station offices. EMC {code} Developer Advocate [Jonas Rosland](#) kicked off the day with an intro to DevOps concepts, and was followed by sessions from Cloud Foundry, Puppet, and EMC Consulting. We love seeing these events come together-- let us know if you're interested in doing something in your area.

EMC {code} at LinuxCon, ContainerCon, CloudOpen & MesosCon 2015

Next week, EMC {code} is heading to the Linux Foundation events in Seattle. If you're heading to the conference, or even just thinking about it, here's where we'll be during the week:

[Lightening Talk] [ContainerDay \(Sun. 8/16\)](#): EMC {code}'s [Patrick](#) will be delivering a lightening talk on the Mars Data Challenge

[Booth] [LinuxCon/ContainerCon/CloudOpen \(Mon. 8/17- Wed. 8/19\)](#): EMC {code} has a small booth on the 3rd floor, come say hi, meet the team, and grab some {code} swag.

[Hackathon] [Mars Data Challenge \(8/19\)](#): EMC {code} is hosting a half-day data challenge. Every participant receives a Raspberry Pi 2 and grand prize winners receive drones, GoPros and many more exciting prizes. Spots are limited, register today (you must be a conference attendee to participate).

August 17-21

EMC {code} will have a booth presence and hackathon during this busy week in Seattle.
